Quantum Crystalline Healing Chamber

2 days

888/in person MLKR only

Quantum healing is fast, powerful and supports your Self-Ascension process! Through the gift of inviting your body into “stasis”...the opening of the ancient chamber offers the clarity to reveal root causes of discomfort from the current life time AND prior lifetimes. Many are called into the chamber to reconnect with their specific Soul Song.

MLKR calls forward the harmonies and healing processes that are uniquely yours and this protocol integrates the Egyptian Healing Rods, Crystal technologies, Perfect pitch tones and more.

Through this integration the body releases unconscious dogmas, limiting beliefs and habitual patterns. ALSO! This 2 day process specifically addresses energetic interference, including phobias, imprints from ancestry, the culture of origin and relationships. If present, any entities, ghosts or inter-dimensional imprints are identified and resolved safely and without drama.

Your chamber consists of two “formal sessions” plus personalized processes that you will be asked to complete between the sessions.

You will meet in MLKR’s private and Sacred Healing Chamber for both sessions.

It is optimal to stay onsite for a minimum of the evening of your first session.

You will be given take home instructions and the sessions will be at the same time for two consecutive days.

With your request for this service, you will be sent a confidential questionnaire to complete for MLKR to review prior to your session beginning.

Please note the wait time for a private Session with MLKR can vary between 2 weeks to 3 months. Please inquire with your hotel reservation for availability.
